Business Chinese Course in SJTU Admission

1. Course introduction

With the rapid development of China, more and more foreigners hope to come to China. And many of them have come to live and work in China. Using Chinese proficiently and learning some Chinese culture will definitely help them integrate into their life in China easier and be helpful to their career development in the future. And at the same time, we can see more and more learners abroad have started to study Chinese online. Our Chinese courses are tailor-made for all these Chinese learners with different needs.

2. Curriculum and tuition

Program A: Intensive Group course

It is designed for students who are able to study every day at our campus. With 3 to 4 class hours study per day, students will improve Chinese very quickly.
